

AG EUNICE CARE

Public Health & Safety Policy

Organisation: Nurturenest Family Care and Coaching Ltd (trading as Ag Eunice Care)

Version: 1.0

Effective Date: July 2026

Review: Annually

Ag Eunice Care is committed to providing a safe, healthy and secure working environment for our employees, agency workers, contractors, clients and visitors. We recognise that effective health and safety management is essential to delivering high-quality healthcare workforce solutions.

Our Commitment

We are committed to complying with applicable health and safety legislation, identifying and managing workplace risks, promoting a positive safety culture, and continually improving our health and safety performance.

Our Responsibilities

Ag Eunice Care will provide appropriate policies, procedures, information, training and support to help maintain safe working practices. Managers are responsible for promoting health and safety, while all workers are expected to take reasonable care for their own safety and that of others.

Risk Management

We carry out risk assessments where appropriate, review identified hazards, implement suitable control measures, and monitor their effectiveness.

Incident Reporting

All accidents, incidents, near misses and health and safety concerns should be reported promptly so that they can be investigated and appropriate corrective actions can be taken.

Training and Awareness

Relevant personnel receive health and safety information and training appropriate to their roles. Additional training may be provided where specific workplace risks are identified.

Wellbeing

We support the physical and mental wellbeing of our workforce by encouraging safe working practices, respectful behaviour and access to appropriate support where available.

Continuous Improvement

We regularly review our health and safety arrangements, learn from incidents, and update our procedures to improve safety and reduce risk.
